**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who supports broadband competition. Say NO to price hikes that will increase the cost of internet and telephone services. Local providers are building new fiber networks to bring faster speeds. Competition builds the future!

Big telephone companies are seeking deregulation, so they could levy a massive price hike on all broadband customers. They are greedy they should be broken up.
